

INFORMATION FOR GENEALOGICAL RESEARCH

The Chancellery does not have a dedicated service for genealogical research.

To request a genealogical search, it is necessary to send a request via e-mail to the following address: annuario@diocesidicremona.it.

The genealogical research that can be carried out at the Historical Archive is limited, as the parish registers, which include baptism, confirmation, marriage, and death records, are usually kept at the individual parishes. Only some of these registers are kept at the Diocesan Historical Archive.

For any research, a fee is required as reimbursement for the hours spent by archive staff on the research itself.

The request must be accompanied by a copy of a valid identity document to be attached.

To carry out research, the following information is required:

- name of the person whose baptism, marriage, or death records are to be researched;
- year of baptism, marriage, or death;
- parish where the sacrament was celebrated or where the death occurred.

If this information is not provided, the request cannot be processed.

In the event that the register required for the search is not available in the Archive, the Chancellery must contact the parish priest of the Parish directly and verify whether it exists or not.

The cost is € 60.00 for each name to be searched + € 10.00 for the issuance of the certificate by the Chancellery + € 15.0 for shipping costs.

If you wish to have it shipped via courier, the courier must be contacted and paid for directly by the requester.

Request processing time: 1 month

In some parishes of the Diocese of Cremona, historical documents (such as Baptismal or Marriage Records, Death Records, or State of Souls registers) have been destroyed during wars, burned, or disappeared.

In If the search results are positive, to proceed with the issuance of the certificate by the Chancellery, it is necessary to make the payment for the service via bank transfer and promptly send a copy of the payment receipt to annuario@diocesidicremona.it.
